TO THE
15TH AIR BASE WING

The 15th Air Base Wing, Pacific Air Forces, distinguished itself by exceptionally meritorious service from 1 July 1991 to 30 June 1993. During this period, the wing reorganized its forces under the objective wing structure mandated by the Air Force, assuming additional airlift, communications, audiovisual, weather, intelligence, and rescue responsibilities. Their professionalism and dedication to duty contributed directly to the fulfillment of national and international objectives. The distinctive accomplishments of members of the 15th Air Base Wing reflect great credit upon themselves and the United States Air Force.
